RIC L. BRADSHAW, SHERIFF

## INTER-OFFICE MEMORANDUM North Regional Bureau

TO: Lieutenant Rodney Thomas

DATE: September 15, 2008

FROM: Major Rick Jenkins

SUBJECT: Commendation / UCR Crime Statistics / Mangonia Park

---

The recent FDLE crime statistics suggest a dramatic decrease in over-all reported crime in District 2 – Mangonia Park. That is in no small part attributable to your leadership, attention to detail, focus on community policing and embracing of PBSO's "trust but verify" philosophy.

Your coaching, mentoring and the support provided by Sergeant Nicholson is commendable. Please recognize all of your staff for their significant contributions toward making Mangonia Park a better community.

*Great Job!
